Dear HKSMS members,

### **HKSMS Conference Award**

On behalf of the Hong Kong Society of Mass Spectrometry, I am delighted to announce that the HKSMS Conference Award 2023 for our student members is now open for application.

The aim of the HKSMS Conference Award is to encourage our student members to present their research findings in international conferences on mass spectrometry-related topics.

A maximum of 5 awards will be offered in this society year (2022-2023).

To be selected, you must meet the following criteria:

- You are a student member of HKSMS.
- Your research findings should have been accepted for an oral/poster presentation in an international conference, which have been/will be held within this society year (1 July 2022 – 30 June 2023).
- You are the first author of the presentation, as shown in the conference abstract.
- For a HK\$2500 award, you agree to give an oral presentation in the HKSMS Symposium on 17 June 2023.
- For a HK\$1500 award, you agree to give a poster presentation in the HKSMS Symposium on 17 June 2023.
- Please submit your application via the following link <https://forms.gle/xjNQsTpgTi1L7EmF7> and upload
  1. a proof of acceptance for presentation in an international conference,
  2. an abstract of the presentation
 on or before 19 May 2023.

Please be noted that the same research work can be EITHER submitted for the application of HKSMS conference award OR HKSMS Symposium 2023. However, same applicant can apply HKSMS conference award and HKSMS Symposium 2023 if he or she has different research work to present. Successful applicants will be individually notified on 26 May 2023.

I look forward to hearing from you soon.
