22th March 2016

Dear HKSMS members,

HKSMS Conference Award

On behalf of the Hong Kong Society of Mass Spectrometry, I am delighted to announce that the HKSMS Conference Award 2016 for our student members is now open for application.

The aim of the HKSMS Conference Award is to encourage our student members to present their research findings in international conferences on mass spectrometry-related topics.

A maximum of 5 awards will be offered in this society year (2015-2016).

To be selected, you must meet the following criteria:

- You are a student member of HKSMS.
- Your research findings should have been accepted for an oral/poster presentation in an international conference, which have been/will be held within this society year (1st July 2015 – 30th June 2016).
- You are the first author of the presentation, as shown in the conference abstract.
- You have submitted
 - an application form with your supervisor's endorsement,
 - a proof of acceptance for presentation in an international conference,
 - an abstract of the presentation
 on or before 30th April 2016.
- For a HK\$2000 award, you agree to give an oral presentation in the HKSMS Symposium 2016 on 25th June 2016.
- For a HK\$1000 award, you agree to give a poster presentation in the HKSMS Symposium 2016 on 25th June 2016.

Please be noted that the same research work can be EITHER submitted for the application of HKSMS conference award OR HKSMS Symposium 2016. However, same applicant can apply HKSMS conference award and HKSMS Symposium 2016 if he or she has different research work to present. Successful applicants will be individually notified in mid May 2016.

I look forward to hearing from you soon.

Yours sincerely,

April Wong
President, HKSMS

HKSMS Conference Award Application

A maximum of 5 awards are available in this society year. To qualify for a conference award, the HKSMS student member must be the first author of the presentation in an international conference. Proof of acceptance for the presentation by the conference organizer, postmarked by 30th April 2016, must accompany this application. Once an award has been approved, the student needs to present his/her work in the HKSMS Symposium 2016 in order to receive the award.

Name of Applicant (BLOCK): _____
